Notice to all Customers regarding our Luxury Vinyl Plank

To safeguard the appropriate installation of our Luxury Vinyl Plank series Woodland and Starbucks we recommend a hard set adhesive specifically Uzin KE2000S as part of our warranty, prior to installation all products must be acclimatise and floors prepared as per box instructions, the adhesive should be used using Uzin's specific installation method.

Please refer to the Uzin KE2000S PDF attached.

If you require any further info please contact your DIY sales representative or for adhesive Technical questions contact PR Floors 07 38074422

Kind Regards
